"Turn Your Dog into a "Work of Art"

Lustrous, brilliant and glossy are just a few of the adjectives used to describe a show dog in the ring. Now those same terms can be used to describe your dog. A fuller, shinier coat causes people to stop, and ask with admiration "What's your secret?"

The secret is PEAK Glow™ with LUTIMAX™. Not only does PEAK Glow with LUTIMAX™ produce a coat that would make a glossy mink jealous, dry skin and rough calluses are a thing of the past.

You'll have to see it to believe it - a "PEAK Glow™" coat is soft, luxurious and spectacularly shiny! We use 100% human-grade ingredients - a unique blend of oils and vitamins in a base of whole chicken. Dogs love it, and there's no extra work for you. Just sprinkle on your dog's food. Simple!

PEAK Glow™ with LUTIMAX™ produces a glossy, brilliant coat in two ways;

Special nutrients nourish the canine skin from the inside out producing an ultra-soft, supple dermis while exerting potent anti-inflammatory effects.

Each strand of hair looks as if it glows from the inside, and is buffed to a blinding shine on the outside.

Sizes: 1½ and 4, pound containers.
